**ITALIAN F.4 CHAMPIONSHIP POWERED BY ABARTH**

**Participation to the Italian F.4 is always high**

*Up to 26 drivers registered to the second last appointment of 2015*

Imola 16/09/2015 If, generally, participants to races tend to decrease at the end of the Championship, the Italian F.4 still maintains really high numbers for the second last appointment of the year, planned next weekend in Imola. For the second appointment this year on the Autodromo Enzo e Dino Ferrari, the Italian F.4 Championship Powered by Abarth will offer a grid of up to 26 drivers. Also new faces will participate, both for drivers and teams: at Imola the new competitor will be the boy from Guatemala, Ian Geoffrey Rodriguez Wright, racing together with the Italian DRZ Benelli ASD team.

In the preceding 5 rounds of the Championship, number of drivers has been constantly high: at Vallelunga, first round, 26 drivers have participated to the race, gone up to 29 at the very catalysing Monza track. After that, at Imola, drivers have been 27, 26 at Mugello and 25 in Adria.

The next appointment in Imola will start Friday 18 with free practice from 13.20 to 14.00 and from 16.10 to 16.50, while Saturday qualifying practice will be held from 10.20 until 11.00, and race 1 will start at 15.25. Sunday start of Race 2 will be at 9.50, while Race 3 will close the weekend with start at 16.55.
