### ITALIAN F.4 CHAMPIONSHIP POWERED BY ABARTH

#### Race 3: Siebert, Cunati and Bertonelli

##### *On a wet track drying up, battle is astonishing*

Misano 04/10/2015 – Race 3 starts with a wet track and drivers mounting rain tyres. Battle is spectacular immediately at the start, when Diego Bertonelli (RB Racing), starting third, manages to overtake Ralf Aron (Prema Power Team), is then passed again by the Estonian, but finally manages to conquer second position. It is Robert Shwartzman (Muecke Motorsport) to start from pole position, resist from the attacks of Bertonelli, and finally manage to create some gap from the Italian.

During the race, battle in the central group is strong, with mistakes deriving from rain tyres heating up too much on the drying up track.

At the end, also due to a number of penalizations deriving from drivers passing beyond track limits, it will be a fast and careful Marcos Siebert (Jenzer Motorsport) to conquer first position, followed by an astonishing Simone Cunati (Vincenzo Sospiri Racing), at his first absolute car race, coming directly from karting. Third is Diego Bertonelli, in a weekend that has seen him protagonist and always on podium.

Final classification is though still Sub Judice.

The Championship ends in Misano assigning the Teams Title, won by Prema Power Team, while the Woman Trophy is won by Julia Pankiewicz (RB Racing).
