### Comments by Fittipaldi and Ptacek after qualifying

**Fittipaldi: "both me and the team did well". Ptacek: "Rookie Trophy good, but Championship is key"**

16/06/2018 – Enzo Fittipaldi (Prema Theodore Racing) interviewed at the WSK Promotion Motorhome, that celebrates polemen of the day, is positive but concentrated. "I am very happy for the double pole, me and the team have worked well, both have done their part, and only in such way we can be successful. Now I need to be focused, have a good start and obtain the maximum from this week."

Great result among the Rookies by Petr Ptacek. "I am satisfied with second position, but I could have done the pole. I miss some experience compared to others, like Fittipaldi, who are at their second year in F4. Anyway, I am satisfied with second position in Q1 and starting from first row for the first time this year. We will go through last year races when we (Bhai Tech Racing) won all three with Sebastian Fernandez. I did not think at the beginning of the season we would have been so strong. In the Rookie Trophy it is always me and Petecof. I hope all will go well with no accidents. Team is key and they are like my second family."
